Summary — Motivated and detail-oriented Java Developer with hands-on experience in Core Java and Advanced Java programming. Proficient in building robust, scalable, and high-performance applications using Object-Oriented Programming (OOP) principles and Design Patterns. Experienced with Spring Boot and Hibernate for enterprise application development. Skilled in working with RESTful APIs and Relational Databases like MySQL. Strong understanding of Java Collections Framework including Lists, Sets and Maps for efficient data handling. and JVM Internals. Adept at using Maven for efficient development and deployment pipelines. Seeking to contribute to a dynamic team to build innovative software solutions while leveraging strong problem-solving and analytical skills.

Skills

Technologies : CORE JAVA , OOPS , EXCEPTION-HANDLING , JAVA 8 , JDBC , COLLECTION FRAMEWORK. **Database :** MYSQL **Frameworks :** SPRING-BOOT , HIBERNATE , JPA. **Web Tech:** HTML , CSS , JAVASCRIPT.

Projects

Personal Portfolio

2024

🔗 Code

- Portfolio Project! Showcasing web development skills using HTML, CSS, JavaScript. Features seamless navigation and personalized content backed by a robust database. Explore my skills, and don't forget to grab a copy of my resume and connect via social media!

Bank Management Systems

2024

🔗 Code

- Developed a comprehensive Bank Management System with functionalities such as user registration, account creation, deposits, withdrawals, and balance checks. The system ensures secure user authentication and efficient transaction processing

Employee Management System

2024

🔗 Code

- Developed a Bank Management System with secure user registration, account management, and transaction features. Also created an Employee Management System in Java for efficient employee data handling, including secure login, record management, and table operations.

Education

Bachelor of Science in Computer Science

Deogiri College Chh.Sambhajinagar

2021-2024

Percentage: 69

HSC

Shivaji High School Sawalata

2020-2021

Percentage: 80

SSC

Primary Ashram School Ghnegaon Tanda

2019-2020

Percentage: 72

Certifications

Full Stack Java + Projects

09/2024

- - This course is designed for beginners to learn Core Java from scratch, covering OOP concepts , collections , and more. It also introduces Data Structures and comes with mini-projects to practice coding.
